### Weather Rules and Rain Check Policy

In the event of inclement weather, the flagman will halt the races. If, in the opinion of the track officials, the inclement weather is sufficient to cancel the remainder of the contests, racing will not be resumed.

If the half-way point in the program has been completed (heats races and semi features), rain checks will not be honored. If the halfway point in the program has not been completed, rain checks will be honored at forthcoming races.

We apologize for any inconvenience, but there will be NO cash refunds.  
Rained out features will be ran the following week, before regularly scheduled heat races.

**Rain checks will be valid for the next 2 events only.**  
(Special Events not included)
